

C-GMP EQUIPMENT FOR API, Bulk Drugs & Pharma

Since 1981, we have been designing and supplying world-class C-GMP equipment to pharmaceutical companies including Pfizer, Aventis, Apotex, Zandu, Ranbaxy, Cipla, Dr. Reddy's, Biocon, Lupin, Otsuka, Teva, Cadila and Nicholas Piramal.

Our 100+ expert engineers and more than 400 skilled technicians collaborate in six modern plants to design customized C-GMP equipment. They work with a variety of material of construction to deliver high performance and zero-contamination equipment. Our equipment conform to ASME, TEMA, DIN, BIS, IS, SMPV, EJMA, API, and C-GMP standards and help our customers meet the stringent quality requirements of USFDA, UKMCA and TGA.

In addition to pharmaceutical industry, we also supply a wide range of process equipment, systems and skids, and complete turnkey plants to a variety of process industries. Some of these products include:

CODED AND CUSTOM-BUILT EQUIPMENT AND PRODUCTS

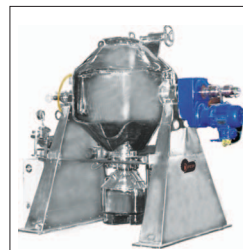

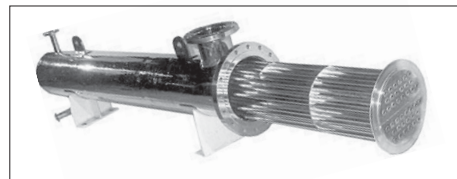

Customized Equipment

- Heat-Exchangers
- Reaction Vessels
- Pressure Vessels
- High Pressure Autoclaves
- Hydrogenators
- Tall Vertical Columns

Specialised and Proprietary Products

- Rotary Vacuum Paddle Dryers
- Spherical Paddle Chopper Dryers
- Autoclaves with quick opening doors
- Rotocone Vacuum Dryers
- Conical Screw Dryers
- Silicon-Carbide Heat Exchangers

Let's know what we can do for you.
